QUICK START GUIDE

Why do we do Immerse? Every year, we take eight weeks to read scripture in a large section. We read this way because it allows us to see the broader story of the Bible and get to know God's character through the ages.

3 ways to get the most out of your Immerse experience:

Find a new way to interact with scripture. You can do one or more of the following:

1

- Buy the Immerse: Prophets book, which reads like a manuscript since chapter and verse numbers are removed
- Use your Bible with the reading guide on the reverse
- Listen on your favorite Bible app (about 20 minutes a day)
- Immerse podcast and videos: immersebible.com/prophets
- Find more Immerse resources at shorelinecc.com/immerse

2

Join a group! Go to the Church App or shorelinecc.com/groups to look for a group that works with your schedule. If one doesn't work for you, consider asking a friend to join you through the readings in a microgroup (learn more at shorelinecc.com/microgroups). Every week, you'll look at the reading and ask four questions (see reverse).

3

Aim to understand the big story. Immerse takes us through a lot of scripture in a short time. There are three different ways we can read scripture, and we should use all three over time.

- Read a verse or small group of verses and meditate on it. (You might use the S.O.A.P. method)
- Read a small section of scripture and go deep into its meaning, looking at what it meant to the original readers, and what it might mean for you today.
- Read a broad section of scripture to understand where those stories fit in the bigger Biblical picture.
